Items Discussed:

1. Work From Home due to Inclement Weather

Our school system is heading toward allowing certified and classified staff the opportunity to work from home due to inclement weather. SIT members discussed a variety of options for all staff members. Some ideas that resulted from the discussion were as follows: online PD, APP Challenge (especially for classified staff) lesson plans, putting together bulletin boards, grading papers, creating flipped lesson videos, and creating tutorial videos. The goal is to have a plan in place so staff will be prepared to work from home due to inclement weather. Staff members will log hours worked from home. Please email Mrs. Sigmon or myself with any suggestions/ideas.

2. Community/School 3 Word Phrase

The phrase that we want associated with our school and community will be: Open door, open heart, open mind. This was discussed and voted on during the November meeting but due to only having one item, I wanted to wait to pass along the information.

- 3. Grade level chairs, please remember to pass along any items that need to be discussed with the school improvement team.**
