### **Items Discussed:**

#### **1. Title 1 School Compact**

**Debbie Efird gave each grade level a copy of the compact for review. Please discuss at your grade level meeting and make changes. We are required to make a yearly change, so please pass along any changes to Debbie Efird.**

#### **2. Retention Letters/Honor Roll**

**Please be aware that if students are considered for retention they should not be on the honor roll. Assignments can be modified but assessments need to be on grade level.**

#### **3. Student Dismissal on Playground Side Parking Lot**

**It has been mentioned that some parents are parking inside the gate in the afternoon for student pickup. If you notice this will you please report it to Mr. Mobley. If students are going to After School and then being picked up that falls within our guidelines. We want to make sure it is not a short cut to avoid the car rider line as well as a safety concern for those students.**

**Respectfully submitted: Sherry Hubbard, SIT Chair**
