

SIT Meeting 3/25

- 1) Memorial for Angela Aldridge - SIT voted and decided - only provide memorial pages to current staff and students that pass away during the year. SIT would like to honor Angela's memory in another way...possibly through a scrap book page in the Bostian scrapbook located in the library. This will be decided by the end of the year.
- 2) Bermuda Shorts - SIT voted and decided - No Bermuda shorts. We decided knees should be covered when it comes to capris/shorts unless there is a special occasion such as Field Day.
- 3) Garden - Plan for the area in the parking lot presented by Salem Fleming -looks good. SIT agrees to the longer time line....completion in the fall. Look forward to the final plan once it is complete.
- 4) Title 1 - Looks good, approved
- 5) Jennifer - Bulldog Brags - a way to uplift and pass positivity to staff members
- 6) In School Suspension - Please discuss with grade levels - How can BES provide ISS in a way that provides true consequences for students? Parents asked to sit with student during ISS or agree to OSS. ISS one day a week/every other week and assistants rotate in order to monitor? Suggestions please...
