Parent visitors at lunch~ Parents who are not volunteer certified,  
should not be alone with students at the picnic tables.

The decision was made today that if parents want to eat at the  
picnic tables outside the cafeteria, they will only take their child  
(even if they have volunteer status). If the parent wants to eat  
inside the cafeteria, the use of the booth is at the discretion of  
the grade level.

New school-wide themes for the school~ A survey has been sent  
out to gather input about changing current themes, having no  
school wide theme, or providing ideas for new themes.
