Members present: Amanda Chavis, Christine Barringer, Tracy Morrison, Emily Hinson, Whitney Lannon, Libby Graham, Lisa Simon, Ann Goodnight, Wendy DiStefano, Donna Rymer, Jennifer Roberson, Sherry Hubbard

Memorial Shrub for Angela Aldridge: The Kindness Club offered to sponsor a flowering shrub, such as a Camilla, in memory of Angela Aldridge. Although Angela was not currently employed at Bostian, SIT decided that her death was within a few months of her employment, and she left because of her illness. Students she served as recently as last year, are still here at Bostian. The Kindness Club will send an envelope around to collect donations from faculty and staff members to purchase the shrub. It will be planted by the back door of the mobile unit near the reading garden. SIT decided that there will not be a formal school-wide dedication since her passing was not in the middle of the school year. Classes may visit and have a dedication ceremony at any time.

For future circumstances, guidelines are as follows:

1. Memorial plants, etc. will be established for current students/staff members at Bostian.
2. School-wide dedication ceremonies will be for those who pass during the school year while employed/attending Bostian.
